

Detroit Personalized Pocket Knives

Michigan Custom Knives We is pleased to have you visit our new website. We are knife purveyors and have been in business since 1999. Mike has always had a passion for knives and enjoys collecting them. He strives to find the best quality knives that are affordable to our customers. Over the years we have met alot of great makers and developed a great customer base who we like to call friends.

PATRICK BOB

Bob Patrick world famous knife maker from British Columbia. Bob told me that this massive beauty was made in July of 1999. He also told me that one similar to it sold a few months later for 850.00. The massive blade is 1/4" thick, 440-c antiqued grey and razor sharp. The handle scales are deep rich ironwood accented with 25 pins and nice thick Mike Norris Mokume bolsters. The knife is full taper tang construction. Fantastic craftsmanship excellent fit and finish. The knife has never been used and is in excellent condition with just a few small dings here and there that could be easily buffed out if desired. Zipper pouch included.

WELLING RON

This gorgeous Scagel style tomahawk axe was made for the 2013 blade show. The ax is hand forged 1084 carbon steel with a 5" blade 1/2" thick. The handle is a beautiful combination of crown stag and multi spacers very nice looking. Ron also makes his own sheaths which are real works of art. The sheath is hand tooled with lace and bead. Ron's logo is on the back. Ax and sheath are both in mint condition. The OAL: is 18.5".

TOOLE BOBBY

Bobby Toole is one of my favorite folder makers you just can't beat the quality and price. This beauty has a nice hand rub finish blade with gem stone thumb stud. The scales are red micarta accented with Bob Eggerling mosaic damascus bolsters. The back strap has fancy file work and

the titanium liners are gold anodized. Perfect fit and finish mint condition. Measures 4" closed.

STODDART

Bill Stoddart sold his first knife in 1976. This beauty has a mirror polish finish blade with thumb stud. The bolsters are sculpted and the partial back strap is ivory which has a hair line crack and some shrinkage but not loose or harmful just old age. The knife is tight and the action is smooth. The knife measures 3.25" closed. The knife has not been used and is near mint condition. Leather pouch sheath included.

COUSINO GEORGE

The blade is hollow ground with a nice hand rub finish. Green gem stone thumb stud with file work above. The liners are titanium and machined on the inside. Fancy file work on back strap. Perfect fit finish and very smooth operation. Knife has individual serial number on inside of back strap. Zipper pouch included.

CHILDRESS

This is a very nice pocket size liner-lock folder. The blade has a fine hand rub finish with pearl thumb stud. The scales are beautiful matching gold lip pearl with lots of color. Top it off with a very unique file worked back strap. Excellent fit and finish with smooth operation. Knife is new mint condition and measures a little over 3.25" closed. Carry pouch included.
